

PROMINENCE

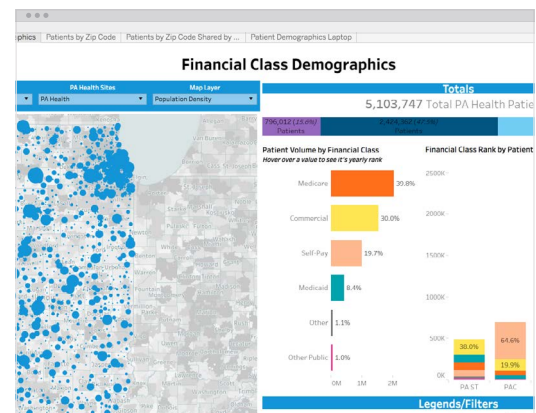

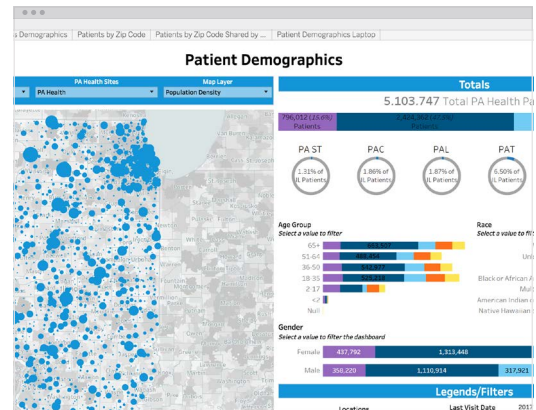

Healthcare, Smarter.

Patient Demographics

Understanding details of the patients that make up the populations under your care is critical to successful population health management. Prominence's patient demographics application puts all of that information at your finger tips so you can easily understand key demographic characteristics of your patients.

Understand key demographic characteristics of your patients

You can also layer in socioeconomic data, such as crime rates, commute times, obesity rates, and more, to further your understanding of your patient populations.

 **Combine claims data** from multiple payers and integrate with data from multiple EHRs.

 **View the demographic make-up** of the patients attributed to your ACO.

 **Identify key population characteristics** against locations, financial data, and geographies

Proven ROI

\$400MM+

Documented ROI

In the hundreds of successful implementations with organizations across the country, Prominence has documented over \$400MM of ROI to date. It's one thing for someone to say that their solutions save time and money, but another thing to be able to back it up with a proven track record of success and hard ROI numbers.

TWO

HIMSS Davies & Truven Awards

HiMSS Davies and Truven awards are considered the pinnacle of technology in healthcare IT. Prominence has won not one, but two, of each of these awards while working with their customers. Our people and our technologies have a very real and very positive impact on healthcare across the nation, every day.

18+

Best Places to Work Awards

Prominence's culture speaks for itself. Our clear and simple core values, KLAS-leading rankings, and the breadth of staff's experience all come together to produce an unparalleled experience for our customers. There's a reason that 100% of our customers have come back to us for additional engagements, and why we've scored a perfect 10.0 in KLAS for not nickel-and-diming, and we'd love the opportunity to show you why.

7/10

Best Hospitals in the Nation

The best hospitals, healthcare organizations, and academic centers rely on Prominence to provide cutting-edge solutions, advice, and expertise. Our teams have experience in every aspect of the provider, payer, academic, and administrative spaces, and we're able to provide our services across the spectrum of healthcare, instead of just a single domain area.
