

Epic Reporting Managed Services

PROMINENCE

The Epic reporting expertise you need, **when you need it, at any budget**

What We Do

Prominence helps the nation's leading healthcare organizations do more with your data. Too often our customers have rapidly changing analytic needs, and a single jack of all trades resource simply doesn't cut it. Our managed services offering gives you maximum flexibility to best align with your ever-changing priorities. You can leverage a clarity report writer one week, a Caboodle Admin the next, and a RWB report writer the week following.

Budget Conscious

Don't commit to 40 hours per week if you don't need it. Plans start at 10 hours a week.

KLAS Leading Epic Analysts

Our team consists of our most talented, certified Epic reporting experts.
